

2018 ACH Executive Committee Nominations and Ballot

The ACH Executive Committee of seven members oversees administration of the Association. All members are chosen by a Nominating Committee of three members elected at the Annual General Meeting. The Nominating Committee is charged with ensuring that the Executive, as far as is possible from the members willing to accept nomination, reflects the geographic diversity of the Caribbean, as well as its languages and cultures. All members of the Executive are chosen to serve for one year; positions are renewable for a second year, but the period of service may differ.

I. OFFICERS

The President can serve two one-year terms, but not more than three consecutive years. The Vice-President succeeds the out-going President, if he or she is nominated. The Secretary-Treasurer is expected to serve for three years, and may be renewed for a second three-year term. The Conference Coordinator is also elected for a one-year term, which can be renewed for a second year. Although members are not asked to elect the Officers, the Nominating Committee has provided brief resumes for them, as well as for the other members of the Executive Committee up for election, so that members of the ACH can consider the composition of the Executive as a whole.
